

Pray for me O Holy Mother of God, that I, your Humble Servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blesséd Son, Jesus Christ.

Blesséd Mother's Sorrow

My Dear Brothers and Sisters in Christ,

On Saturday 7th February 2004, I went to my Parish church, Sacred Heart, in Thornlie to attend Holy Mass and to participate in the *Cenacle of Prayers* for the first Saturday of the month, a “*Devotion*” Requested of all of us, by “*Our Blesséd Mother*” at “*Fatima*”, a practice of “*Devotion*” that I have now been completing for about six years, at my local Parish Church.

As, has been the usual practice for a number of years now, immediately following the Holy Mass, “*The Cenacle Group*” or more accurately “*The Cenacle Family*”, began the *Cenacle of Prayers*.

“*The Cenacle Family*” progressed through the Prayers, leading eventually through to the “*Holy Rosary*”, and as we reached the 3rd Decade of the “*Glorious Mysteries*”, I was, completely *out of the blue*, taken over by, what seemed to be at first, a very Deep “*Sadness*”, and then seemingly, an instant later, I was totally *Engulfed* with an immensely Deep “*Sorrow*”.

At that instant, I knew that “*Our Blesséd Mother*” had entered into my Heart and Soul, with a Depth of “*Sorrow*” that I had never before in all my life, ever experienced.

If I were to be called upon to try and describe this immensely deep feeling of “*Sorrow*”, I know that I could never ever be able to adequately describe it, in any form of human language, but for want of trying, the nearest attempt that I could even begin to offer, would be in describing it as a *Supremely* Deep form of “*Grieving*”, but by far Deeper than I have ever experienced before.

I have, in the past, on a number of occasions, experienced Deep “*Grieving*”, as I have sadly, lost a number of very close relatives and friends, among them both of my parents, whom I Loved very Dearly, but even the “*Grief*” that I suffered at their loss, could not come anywhere near in Depth, to match this feeling of “*Sorrow*” and “*Grief*” that I was, at this point, experiencing.

Suffice it to say, it was immensely overwhelming and it seemed to prolong for an infinitesimal length of time.

In fact, I could not really sense any reality of **“Time”** as we normally do, in our every day living, yet all throughout this **“State”** of deep **“Sorrow”** that I was experiencing, I could clearly sense the presence of **“Our Blesséd Mother’s”** Heart, from whence this feeling was emanating.

I can quite clearly remember my whole Being, that is my Heart, my Soul and Mind, **“Weeping”** with such Deep Emotion, as this feeling of **“Sorrow”** was overtaking my total existence.

Eventually, after what felt, as I had earlier said, was an infinitesimal length of time I could hear Singing ringing in my ears, which in fact was **“The Cenacle Family”** concluding the *Cenacle of Prayers* with the Final Hymn, at which point I must have retreated from this **“State”** of Deep **“Sorrow”**, only to find myself uncontrollably **“Weeping”**.

Yet, even as I was returning back to a normal **“State”**, I was still very Aware and Conscious of this immense feeling of **“Sorrow”** that had been engulfing me.

At this point one of **“The Cenacle Family”** members came and sat down beside me, to console me and enquire of me, as to why it was that I was kneeling there and **“Weeping”**, which clearly I had been doing for probably about half an hour.

As by now, I was beginning to realise what had actually taken place, namely that **“Our Blesséd Mother”** was in fact **“Showing”** me the **“Sorrow”** that She was feeling in Her Heart, it was to this Kind Person that I first revealed what had been taking place over the last half an hour, or so.

The realisation of this **“Miraculous”** Event, however, was in no way comforting to me, because during this most Sacred of Manifestations, **“Our Blesséd Mother”** did not **“Come”** to me in the sense of **“Telling”** me, both what I was experiencing, or indeed the meaning of this experience.

After about 15 minutes or so, I was able to compose myself sufficiently, to join **“The Cenacle Family”** for the usual gathering, at which, over a cup of tea or coffee we would normally catch up with the events of the week or preceding month and to discuss matters and issues relating to our **“Faith”**.

However, during this little **“Get Together”**, and then subsequently for the rest of the day, I simply could not get out of my mind, that most extraordinary experience that I had gone through, and as the day wore on, it was Disturbing me more and more.

Finally, as the evening approached, I headed off for the **“Bush”** for my exercises, in almost desperate hope that **“Our Blesséd Mother”** would come to me and put my most Disturbed Heart and Soul to rest, and that if it would be Her wish, then hopefully, to explain to me, what the mornings events actually meant.

Almost immediately on my arrival in the **“Bush”**, **“Our Blesséd Mother”** did indeed arrive in my Heart, Mind and Soul, and this what She said;

*“I came to you at your Cenacle of Prayers, for you to **‘Know’** the **‘Pain’** and **‘Sorrow’** that I feel, because for you to **‘Know’** Me, you must also need to **‘Know’** My **‘Sorrow’**. ”*

Then at this point **“Our Blesséd Mother”** filled me with the exact same **“Sorrow”** that I had felt during the *Cenacle of Prayers* earlier on in the morning, and although I was completely overwhelmed by this **deeply, deeply** Sad feeling, this time unlike was the case in the morning, I was very much Aware of my surroundings, but I was still totally overtaken by this Manifestation, and immediately began to **“Weep”** uncontrollably.

Then again **“Our Blesséd Mother”** began to speak to me to me through my Heart and Mind, saying;

*“For you to be prepared for your Mission, in being My Messenger on earth, you have to be prepared not only to **‘Share’** My Joy, but you must also be prepared to **‘Share’** My **‘Sorrows’**.”*

*What you had experienced today, was that of the **‘Sharing’** of My **‘Sorrow’**, which every one of My Messengers and Visionaries on earth all have to be prepared to, and indeed all do endure with Me, your Heavenly Mother, from time to time, but with total **‘Faith’** and **‘Obedience’**’.*

*This Deep **‘Sorrow’** is felt by Me, your Heavenly Mother, very often, because of the Sins of Mankind, My Children on earth, Sins that Gravely **‘Hurt’** and **‘Offend’** My Belovéd Son, Jesus, in Heaven.*

*As if it wasn’t enough that I had to **‘Witness’** The most **‘Cruel’** and **‘Brutal’** **‘Crucifixion’** and **‘Death’** of My Belovéd Son, Jesus, who, in a state of Total **‘Innocence’** on His part, was put to Death for the Sins of all Mankind, namely, My Children on earth.*

*I, your Heavenly Mother, had to **‘Witness’** this most **‘Agonising’** and **‘Torturous Death’** of My Belovéd Son, **‘Offering’** up His Life, with the utmost of Love for all of Mankind, **‘Willingly’** and with immensely Deep **‘Forgiveness’** in His Heart for his Executioners, and for the Sins of all of mankind, Sins, which had condemned Him to this Ghastly Fate.*

*In My **‘Witnessing’** all this Horror, My own Heart was being so **‘Severely Pierced’**, and then, as if that alone wasn’t enough, My Heart continues to be so **‘Severely Pierced’**, everyday, each time My Children on earth turn their backs on My Belovéd Son, Jesus, through their Sins.*

*But furthermore, you too, have been **‘Piercing’** My Heart in this most **‘Cruel’** and **‘Barbaric’** of ways, with your own Sins.”*

At this point I, totally broke down, and sat down on a rock, one of my usual resting points during my exercise routines, and fell into a Deep state of **“Weeping”**.

I simply could not handle the feeling of immense **“Guilt”** and **“Disgust”** at myself, for the realisation of what **“I”** have been doing to **“Our Blesséd Mother”** through **“My”** own Sins.

I felt the Deepest form of **“Shame”** that I have ever felt in my life, and total **“Disgust”** that **“I”** could have been the cause of such immense **“Pain”** and **“Sorrow”** to **“Our Blesséd and Heavenly Mother”**, who over the passed few weeks has shown me, totally *undeservedly* so, Complete and Total *unconditional* **“Love”**, and dare I even suggest, **“Trust”** and **“Faith”** in me, and yet here I am now, becoming aware of just how much **“Sorrow”** and **“Pain”** that I have, and still am, inflicting on this Most Loving and Beautiful, Divine Being.

This feeling of **“Disgust”**, of **“Shame”**, of **“Guilt”**, was so impacting that I know it will stay with me for the rest of my life, and now, is as if it were **“Branded”** in my Heart and my Soul.

So with this Deep feeling of **“Shame”**, and now an immensely Deep feeling of **“Remorse”**, I told **“Our Blesséd Mother”**, that I truly was not aware that I had been inflicting this level of **“Pain”** on Her, and because I was brought up as a *Catholic*, I now know that I should have been, at the very least, Aware, or more accurately, **“Consciously”** Aware, of the fact that **MY** sins were causing Hurt to **“Our Blesséd Lord”**, if not **“Our Blesséd Mother”**, and I asked Her if I could ever be forgiven for this immense Torture that **“I”** had been inflicting on Her.

Then in reply to my acknowledgements and now **“Shameful Remorse”**, **“Our Blesséd Mother”** said;

“My Dear Son, the one who I Love so much, I have always known that you were not aware of the ‘Hurt’ that you have been inflicting on My Belovéd Son, Jesus, by your Sins, and through that ‘Hurt’, in turn, ‘Piercing’ My Heart.

*That is why, I came to you, in order that you can be made Aware, and that you in turn can make, your **Brothers and Sisters in Christ** also Aware, of the Depth of ‘Sorrow’ that I, your Heavenly Mother feels and goes through, each and every time My Children on earth, commit Sin against My Belovéd Son, Jesus.*

*But furthermore, in order for you to be able to carry out your Mission as a Messenger on My behalf, you have to know Me more **‘Intimately’** than ever before, and for you to arrive at this **‘Intimacy’** you have to be Able and Willing to **‘Share’** in My **‘Sorrows’**, as indeed I, your Heavenly Mother have both Willingly and most Lovingly **‘Shared’** in, and will continue to **‘Share’** in, your own Sorrows and Heartaches on earth.*

This 'Sharing' of My 'Sorrows' is to be a 'Lifetime' Commitment, that you have to be prepared to undertake whenever I come to you, at those times when the need arises for you to 'Share' such 'Sorrows' with Me, your Heavenly Mother.

Of course, there will be times, as there have been in the recent past, when I will 'Invite' you to 'Share' in My 'Joy', which together with My 'Sorrows', will enrich you with much needed 'Graces' for your Personal Journey towards 'Getting to Know' My Belovéd Son more 'Intimately', as well as 'Graces' much needed for you to be able to carry out your Mission as My messenger on earth.

It is for this reason, therefore, My Dear Son, the one who I Love so much, that I ask of you, to be prepared to accept this request from Me, your Heavenly Mother."

With this again I simply broke down and **"Wept"**, and still sitting on this rock, that overlooks the City, and looking down at the lights of the city, as it was already dusk as the sun had not long set, and with tears swelling up my entire face, I gave my pledge to **"Our Blesséd Mother"**, that I would be True to Her to the day that **"Our Blesséd Lord"** calls me from this world, but that in truth, all I Deserved for all MY Sins was **"All"** of Her **"Sorrows"**, and **"None"** of Her **"Joys"**, as a *Penance*, for what **"Pain"** and **"Sorrow"** that MY Sins have inflicted on both Her, **"Our Blesséd Mother"**, as well as Her **"Belovéd Son"**, namely, **"Our Blesséd Lord"**.

Then, as I was giving my pledge to **"Our Blesséd Mother"**, I could Feel her Gentle Love *Caress* my Heart and Soul, and still with a Deep feeling of **"Sadness"** in my own Heart, She left me, still **"Weeping"**, as I sat on the rock looking down at the city and Meditating on how many people below, were right at that very point in time, like I have been doing, **"Piercing"** **"Our Blesséd Mothers"** Most Loving Heart.

Then in Meditating on what **"Our Blesséd Mother"** had revealed to me on this day, my Heart sank even more, when suddenly the realisation had hit, that **"Our Blesséd Mother"** had not once, but twice, addressed me as Her **"Dear Son, the one that She Loved so much"**.

My Dear Brothers and Sisters in Christ, I could never begin to explain adequately what impact that had on me.

Just try to consider what Depth of Love that **"Our Blesséd Mother"** must have for *me*, a **"Wretched Sinner"**, who having so Severely **"Pierced"** Her Heart in the past, and because I am a weak human being, that through my human weakness will inevitably be **"Piercing"** Her Beautiful and Loving Heart, again in the future, albeit now, with a much stronger Resolve not to do so, and yet with all this, of which **"Our Blesséd Mother"** is so very much aware, She has not only **"Blessed"** *me* with the **"Honour"** of entrusting *me* to become Her Messenger on earth, but that She has been prepared to place Her Blesséd **"Faith"** in *me*.

I simply cannot Comprehend that Depth of **“Love”** for any human being, let alone for one as **“Undeserving”** as *me*.

Even though this very special Manifestation and subsequent Messages were **“Personal”** to me, but in keeping with **“Our Blesséd Mothers”** request to open my Heart and Soul to everyone, I most definitely would like to share this Message with you, **My Dear Brothers and Sisters in Christ**.

Of all the **“Personal”** Messages that I have received to date, I personally believe that this Message has particular significance to all of us here on earth.

If only one person that reads or hears this particular Message, can be sufficiently moved within his or her own Heart and Soul to make a Resolve, within himself or herself to act upon it, in order to try to **not** offend, or **continue** to offend **“Our Blesséd Lord”**, and thereby **continue** to **“Pierce”** **“Our Blesséd Mothers”** Heart, the Heavenly Mother of Ours, that I so dearly Love, then I personally would feel, that the impact of this Message would definitely have been realised.

So, **My Dear Brothers and Sisters in Christ**, please continue to Pray for me, as I Journey with this Mission that I have been **“Blessed”** with, as indeed my own Prayers will be offered up for all of you, so that you too, can find many **“Blessings”** and **“Graces”** within these Beautiful Messages from **“Our Blesséd and Heavenly Mother”**.

I pray, O Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.
