**No. 41**

**"Abandoning" Christ**

**My Dear Brothers and Sisters in Christ,**

In the afternoon of the 13<sup>th</sup> June 2004, during my "*Stations of the Cross*" for the day, again at the Outdoor Location at The Schönstatt Shrine in Armadale W.A., and during the Promised "*Visual Image*" at the 12<sup>th</sup> Station that "*Our Blesséd Mother*" had brought down on me, Our Blesséd Lord, once again from His Cross "*Spoke*" to me, but this time in an extremely "*Emotional*" and most "*Heartbroken*" voice.

Therefore in keeping with "*Our Blesséd Mother's*" request to open my Heart and Soul to everyone I would like to share this Message with you, **My Dear Brothers and Sisters in Christ.**

Today's "*Visual Image*" started off in the same way as what has now become the "*Standard Image*" as described in the Message "*The 'Agony' of Christ*" (Message No.17), where once again today I was "*Witness*" to the Most Horrific "*Pain*" and "*Suffering*", as Our Blesséd Lord Struggled in Total "*Agony*" on the Cross.

Then, at the point where Our Blesséd Lord, from total *Exhaustion*, allowed His "*Blood Soaked*" and "*Wound Scarred*" Sacred *Head* to Drop to His Sacred *Chest*, Our Blesséd Lord looked Down at "*Our Blesséd Mother*" and I, as we were both kneeling at the Foot of the Cross, and began to "*Speak*" to me, and addressing me Our Blesséd Lord said to me;

*"My Dear Brother, how much Blood do I have to 'Spill' for Mankind and their Sins?"*

*So many of My Belovéd Mother's Children throughout the world, today and day by day are 'Abandoning' Me, in much the same way as My 'Apostles' did on the eve of My 'Crucifixion' some 2000 years ago.*

*My Heart so much 'Aches' for them, as I 'See' them turning their backs on Me and the 'Love' that I so much want them to 'Receive' from Me, their Heavenly Brother.*

*I do not and will not 'Abandon' them, as so many of them today are doing with Me, and I will never stop waiting for their arrival in 'Visiting' Me at My 'Tabernacle', in their Churches throughout the world, in order to 'Talk' to Me.*

**Page/1**

The **'Loneliness'** that I feel at My **'Tabernacle'**, as day by day and week by week I **'See'** fewer and fewer of My Belovéd Mother's Children entering into the Church, both in Person as well as in Spirit, and then from these reducing numbers, so few **'Visiting'** Me at My **'Tabernacle'**, this feeling of **'Loneliness'** from this **'Abandonment'**, is tearing at My Heart causing it to **'Shed'** more and more Blood for **'All'** of Mankind, as it **'Renews'** all the **'Suffering'** that each Sin, each and every Sin inflicts on My Heart.

How many more Tears do I also have to **'Shed'** for My Belovéd Mother's Children, as I in turn **'See'** My Belovéd Mother **'Weeping'** at the Foot of My Cross, **'Weeping'** tears of **'Sorrow'** for Her Children on earth as She also **'Witnesses'** this **'Abandonment'** of Me.

My Dear Brother, please relay to as many of your Fellow **Brothers and Sisters** in Faith in Me, to follow the **'Example'** of My Belovéd Mother, your Heavenly Mother, who all throughout My **'Passion'** did not for one Single Second **'Abandon'** Me, staying with Me, each and every **'Agonising'** step of the way along **'The Road to My Calvary'**, and Staying with Me at the Foot of My Cross to My very last Breath and beyond, never to **'Abandon'** Me, and has been doing so each and every day since, to the present day.

It is only out of **'Love'** for each and every one of My Belovéd Mother's Children, that My Soul so much **'Yearns'** for their company, and this in order that through this **'Love'** I have for them, I so much wish for them to **'Get to Know Me'** their Heavenly Brother more **'Intimately'**, and this in turn in order to Help them along the most **'Difficult'** Road that they **'Need'** to travel, during this Journey through life, to Reach their **'Eternal Salvation'**.

I ask you in particular, My Dear Brother, to continue to be the **'Example'** that My Belovéd Mother has been Showing in the past, continues to Show today, and will for all **'Eternity'** be Showing, in Staying **'Faithful'** to Me, and thereby enabling Me to Stay by your side, in order that your Fellow **Brothers and Sisters** in Faith in Me, too can enjoy My Heavenly company, as I Stay by their Sides, when in place of **'Abandonment'** of Me, they **'Accept'** Me and **'Welcome'** Me into their Lives and into their Hearts as you, My Dear Brother have been doing.

I, your Heavenly Brother, so much want to thank you for having kept My Belovéd Mother company since Lent, while you have been carrying out your own **'Devotions'** to Me, as you have been Travelling **'The Road to Calvary'**.

It is this very **'Example'** of **'Non-Abandonment'**, but instead, **'Loving Devotion'**, that My Belovéd Mother has been Showing, and which you are now **'Emulating'**, that so much pleases Me, and which I ask of you to remain **'Inviting'** others to follow.

Please continue with **'Love'** and **'Faith'** to accompany My Belovéd Mother, every Friday and any other time during the week when you can, along **'The Road to My Calvary'** in order for Her not to be left to Travel the **'Road'** on Her own, and I ask of you to Pass on My Blessings in Gratitude to your **'Faithful'** Guests, who today and in weeks gone by have Chosen to accompany My Belovéd Mother together with you, My Dear Brother, along **'The Road to My Calvary'** .”

Then with the conclusion of this Message from Our Blesséd Lord, the “*Visual Image*” continued on to its conclusion in the same way as the now Standard “*Visual Image*”, at the end of which I eventually lifted myself up from the ground, in order to complete today’s “*Stations of the Cross*”, but feeling extremely “*Distraught*” and totally overcome with *Emotion*, in “*Hearing*” and “*Witnessing*” Our Blesséd Lord Himself, in such a “*Distressful*” state.

Today’s Experience left me most *Saddened* and indeed most *Ashamed* of myself because of my own Sins, and because I Truly Love Our Blesséd Lord and Truly do not wish to *Offend* Him and *Hurt* Him, as quite obviously I have and still do with my Sins.

The *Shame* that I feel within my Heart is so strong, because through this Message it is so clear to me how much “*Love*” Our Blesséd lord has not only for me, but for “*All*” of Mankind, which makes the Offence that Our Blesséd Lord feels as a Result of my Sins so much Deeper and Intense.

*I pray, O Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart’s too, will be filled with Your Graces and Love.*
